

LITANY TO THE TRINITY, THE CREATOR

Pope Francis's universal intention for April is "That people may learn to respect creation and care for it as a gift of God."

One important way to join Pope Francis and Catholics throughout the world in praying for this intention is to recite this Litany. This can be part of a private devotion or as part of a more formal parish Holy Hour. Your pastor can provide guidance on ways to use this Litany in a group setting.

The Litany reflects on the importance of human dignity and the value of respecting creation—all in light of what God has graciously revealed to His creation.

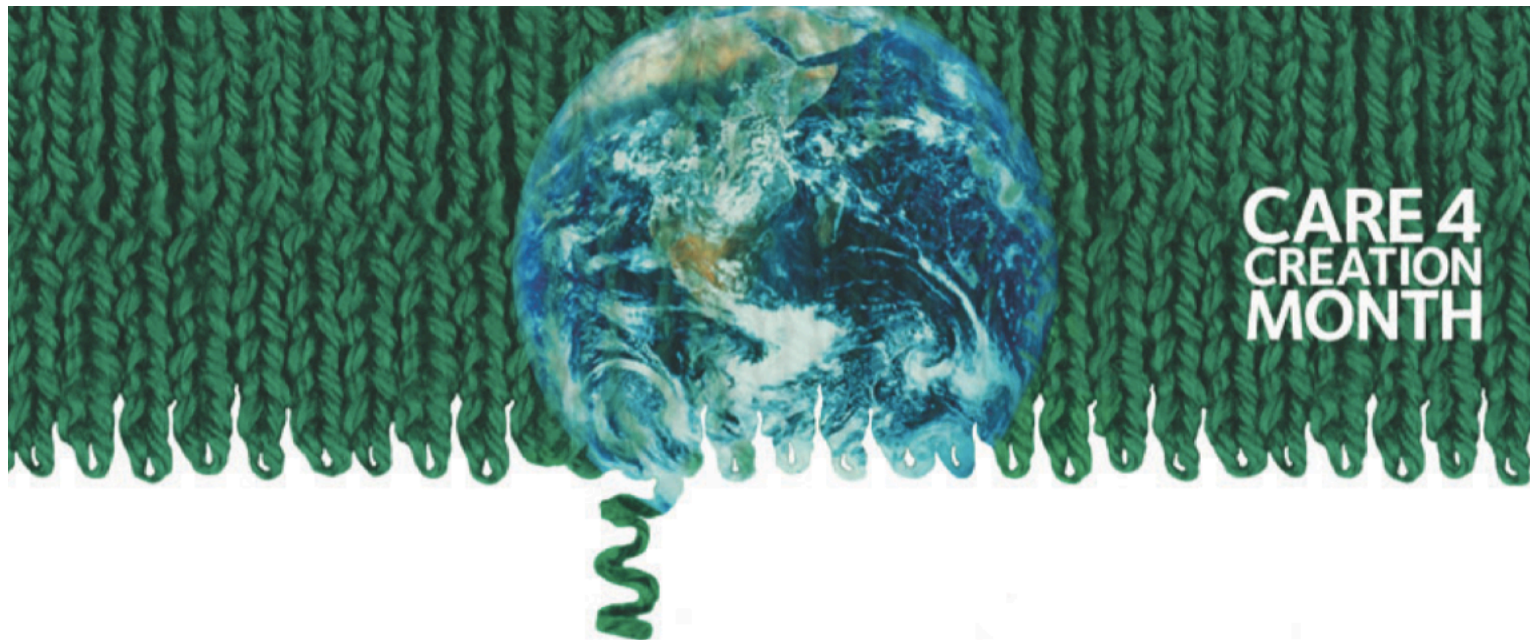

**V. Glory be to the Father, and to the Son, and to the Holy Spirit,

R. *May you be praised, exalted, and loved forever.*

V. *Let Us Pray.*

Almighty and ever-living God, You who created the human race as the pinnacle of your creation, lift us with Your grace that we may be healed from the effects of our fall. Guide us by Your grace that we may align our free will with Your divine will. Protect from our disordered appetites all that you have created. Blessed Trinity, source of all love, relationship, and life, we adore You and we beseech You that by Your grace we may see and love in all created things the imprint of your glory. And may we preserve our natural home for all generations as we journey ever more closely to You.

Father, we ask all this through Our Lord Jesus Christ, Your Son, who lives and reigns with You and the Holy Spirit, one God, forever and ever.

R. *Amen.*

"Have mercy on us and on the whole world" originates from the Chaplet of Divine Mercy. Jesus taught the Chaplet to St. Faustina Kowalska, a Polish nun, in the 1930's. To learn more about the Chaplet, please visit: <http://www.thedivinemercy.org/message/devotions/chaplet.php>
